ABOUT

Hello! I am a New Jersey based Graphic Designer at Monmouth University, with experience in design since 2016. My skills in design, coding, and fine arts drive my focus on clever UI & Product Design. I collaborate with teams to create standout brands and products, always staying updated with the latest design trends.

WORK EXPERIENCE

VERITY PROTECT / Founder & Designer REMOTE / 2026-Present

- Led Verity Protect as a remote founder/designer, owning the product vision, UX strategy, and high-fidelity UI for the iOS call-screening experience that launched on the App Store.
- Steered the end-to-end journey by pairing design systems with operational tooling (alerts, transcripts, fraud scoring) so families feel confident using the service without needing to manage a new workflow.

RSP MEDIA / Photo Editor and Layout Intern Pompton Plains, NJ / 2024-Present

- Photographed high-end jewelry using multiple light sources and angles.
- Developed, color-corrected, and ensured image quality.
- Collaborated with the team on layout designs for marketing materials and finalized magazine spreads.

CHRISTIANS HEALTH CENTER / VOLUNTEER GOLF INSTRUCTOR Wycoff, NJ / 2024 - Present

- Volunteered to teach golf lessons and simulator sessions to seniors, fostering a fun and engaging learning environment.
- Continue to offer lessons whenever available, providing ongoing support to residents.

PACKANACK GOLF CLUB / CLUB WEB MANAGER & ASSISTANT Wayne, NJ / 2023 - Present

- Trusted with opening and closing the golf shop for over 4 years, ensuring smooth daily operations, as well as assisting golfers with their needs throughout their visit.
- Managed and updated the golf course website, maintaining current information and enhancing user experience.

SAGEAIO / FOUNDER & DIGITAL MANAGER REMOTE / 2021 - 2023

- Founded and managed a retail solutions startup, overseeing a team of developers and designers from different countries.
- Served as the UI designer, creating user-friendly interfaces for the brand's digital products & website.
- Managed social media accounts with over 10,000 followers, developing content and strategies to engage customers and build brand presence.
